

10.0 Payment Process

10.1 General Information

- The Company processes all vendor invoices from one central location. Vendor payment is made within the established payment terms as stated on the Purchase Order Agreement.
- Vendors must verify the accuracy of all PO details including size run(s), unit cost(s), quantity(s), payment terms, and the like. Do not ship an order until any and all discrepancies on the PO have been resolved. PO corrections need to be submitted to the vendor in writing as proof of the correction by the Company buyer (cost and payment terms are not reimbursable).
- Any proof of delivery (POD), requests need to be directed to the Accounts Payable Dept via e-mail, fax transmission, or mail listed below.

10.2 Vendor Invoice Instructions

- Please review the instructions with all personnel involved with invoicing and update your billing system accordingly. Compliance with these requirements will assist the Company in expediting payment of invoices.
- The **ORIGINAL** invoice must be submitted in one of the following ways:
 - Electronically via OB-10; for information regarding this option please see E-invoicing section on the Vendor Relations page of our website;

DSW, INC.
PO Box 13390
COLUMBUS, OHIO 43219-0390

- DO NOT place any information under the last address line as US Post Office scans can nullify information and may cause delays or possible non-delivery of invoice.
- Should any additional information be needed please contact Accounts Payable:
 - AP email: vendorfinance@dswinc.com
- The invoice must be for a valid PO received via OB10, DSW's 3rd Party Invoice Provider (Web form or EDI), Postal Mail or via email at vendorfinance@dswinc.com.
- The transmissions of sales orders via EDI, fax, phone, or verbally are not valid POs and will not be accepted.
